

## Kajonkietsuksa School English Programme P2 Cycle 1 Science: Save the Earth Poster Rubric

Name: \_\_\_\_\_ Class: \_\_\_\_\_

Category				
<b>Reading:</b> Choosing the right words to use on my poster	Everything I chose to write on my poster will help save the Earth.	Most of the things I chose to write on my poster will help save the Earth.	I chose some things to write about saving the Earth but I could have done better.	I tried to choose things to write about saving the Earth but it was very hard for me.
<b>Writing:</b> I know and can write different types of sentences with the correct punctuation	I have written the right number of sentences and questions with the right punctuation about saving the Earth.	I have written the right number of sentences but not all my punctuation is correct. <b>OR</b> I have a sentence missing or did not write the question.	I have tried to write sentences but they are not all about saving the Earth. <b>OR</b> Most of my punctuation is not right.	None of my sentences are about saving the Earth. My punctuation is not right.
<b>Viewing:</b> I can write a "what if" question after watching a video	I have written a "what if" question that is about one of the videos we watched in class.	I have written a "what if" question but my punctuation is not correct.	I have written a question but it is not about any of the videos we watched in class.	I have tried to write something but it is not a question.
